

BACK TO SCHOOL TEACHER TIPS

There are so many things to think about when you are preparing for back-to-school and Open House! Don't forget about these!

Figure out your most effective to-do list

Plan out your Seating Chart for each class

Post your classroom schedule

Post your classroom expectations

Plan your Homework Procedures: what is your policy, how often will you assign homework, and how much is it weighed in the grade book

Prep your Open House handouts and/or presentation

Prep your Emergency Sub Plans

Prep your classroom website and/or communication tool for parents

Plan out your Sanitizing Procedures

Check your closet! Spruce up your wardrobe
